

4REAL Indiana

Indiana Region 4 Education Alliance for Learning is a regional network of representatives from education, economic development, and workforce development that strive to improve adult basic education opportunities within the counties of Benton, Carroll, Cass, Clinton, Fountain, Howard, Miami, Montgomery, Tippecanoe, Tipton, Warren and White Counties.

The Mission of *4REAL Indiana* is to enhance the quality of life for all residents of the region by offering adult education services to improve and expand the regional workforce.

Goals:

- To improve and expand the available regional workforce by increasing work skills and transforming people.
- To enhance the life quality for all residents of the region by offering Adult Education opportunities through regional collaboration.
- To communicate the vision and fund the mission of lifelong learning.

Members of *4REAL Indiana* believe that education is the cornerstone of economic development, and regional cooperation among adult education program and workforce development providers will lead to increased opportunities for education and enhanced quality of services within the region.
