

## BUSINESS AND PROFESSIONAL EXCHANGE (BPE)

80% of today's positions are filled through networking, and many are never advertised or listed on company websites.

The **Business and Professional Exchange** is an independent, not-for-profit educational and networking group. Our members are employers looking for a cost-effective staffing solution, and professionals in career transition.

**We invite you to attend a meeting and find out what BPE is all about!**

Each weekly meeting provides you an opportunity to make contacts, learn how to improve your job search skills, help and be helped by others through:

- Making informal networking contacts
- Developing referral opportunities
- Learning effective job search strategies
- Practicing community and business-to-business networking techniques
- Learning career transition strategies and support techniques presented by guest speakers

As a BPE member, you will have access to exclusive job postings, all chapter meetings, member events, and networking opportunities.
